

Dual enrollment students will be enrolled in courses that count toward high school graduation and college credit, so understanding the expectations of being a college student is important. To ensure that students understand the policies and procedures regarding conduct, communication, curriculum, and college policies, all students are asked to read and abide by the following: Principles of Participation and Student Responsibilities. This document applies to any student who is registered in any dual enrollment courses, including public school students, private school students, charter school students, and homeschool students. This document applies to any Traditional Dual Enrollment or Early College Program student.

Principles of Participation for Dual Enrollment, Early Admission, and Early College Program students

- Students are required to communicate any issues to the appropriate people (high school contact, dual enrollment office, faculty, parents, etc. If you are not sure who you need to communicate with, ask your high school contact or call the Dual Enrollment office at 386-312-4136
 - Students are expected to address any course issues with their instructor, it is the student's responsibility to notify the instructor of absences caused by illness, emergencies, etc.
 - Postsecondary institutions must abide by the Federal Family Educational Rights and Privacy Act (FERPA). SJR State's faculty and staff are not permitted to discuss student performance with anyone other than the student or designated educational staff unless the student signs a release. For a copy of this act, please call our office at 386-312-4136 to be provided with the information.
- Dual enrollment students are held to the same standards as regular/traditional college students, unless otherwise restricted by federal, state, or local requirements.
- Students must abide by all SJR State policies and procedures, including but not limited to, the SJR State Student Catalog/Handbook, attendance policies, academic integrity, and discipline policies as published.
 - The only excused (approved) absences are those sanctioned by SJR State. High school holidays, activities, and sports are not excused absences for students enrolled in classes at SJR State or dual enrollment courses held at the high school site. Students need to check the academic calendar before registering for courses to be sure there are no conflicts (spring break, winter break, summer vacation, etc.).
 - Academic work submitted by a student to the instructor is assumed to be the result of his or her own thought, research, or self-expression. When a student borrows ideas, workings, or organizations from another source, he or she is expected to acknowledge that fact in an appropriate manner (citation).
 - Dual enrollment students are entitled to the same appeal processes (grade appeal or Academic Misconduct) as regular college students. The appeals process can last until the following semester. This process is conducted by the SJR State Office of Student Affairs.

- Students are required to know the policies and outcomes, related to grades, academic history, and graduation.
 - Students are not permitted to re-take courses in which they have earned a grade of “C” or higher.
 - Any letter grade below a “C” will not count as credit toward the Gordon Rule requirement (English, Math, and Humanities). However, all grades will be calculated into the student’s GPA and will appear on their college transcript.
 - All dual enrollment (college) grades will become part of the student’s permanent college transcript and may affect college admissions to other colleges and universities, financial aid, and Bright Futures eligibility. These grades are permanent.
 - Withdrawal (“W”) from a course will be listed on the student’s permanent college transcript.
 - College credits earned through the dual enrollment program will be recorded on both the student’s high school transcript and SJR State transcript.
 - Students who receive a D, F, or W in a course may not register for another course within that same term until they have completed the **petition process** through the SJR State Dual Enrollment office. For example, if a student receives a W in a Fall A course, they may not register for a Fall B course until they have completed the **petition process**.
 - Students are only permitted to take 2 courses during the Summer sessions (a maximum of 8 credit hours). Courses requiring a co-requisite will only count as 1 course.
 - A student receiving an “I” grade must complete the course within a 30-day calendar period which begins on the first day of classes of the next term. Students are not eligible for graduation until all “I” grades have been removed from their academic record. Incomplete work will convert to an “IF” if the course work remains incomplete.
 - Dual Enrollment students who have graduated high school, may participate in Summer A courses the year of graduation. Students must petition the Office of Student Affairs to attend these courses and are responsible for all fees. You can contact the Dual Enrollment Office for this petition process.
- Dual enrollment students must understand the differences between high school and the college’s curriculum, course structure, and student body.
 - College courses, including those taught at the high school site, will maintain a consistent level of academic rigor without compromising standards. The course material in these classes are not developed to accommodate variations in student age and maturity and may reflect topics not typically included in secondary courses, which some parents may object to for “minors.”
 - The curriculum, content, evaluation (grading practices), and selection of appropriate instructional materials are the right of the college instructor and will not differ for dual enrollment students. The same material will be presented to regular college students and dual enrollment students. College grading policy will be used for all dual enrollment courses. Instructors will not adapt their course for dual enrollment students.
