School Advisory Council Request for the Use of Funds
Requests must be made 1 week prior to the SAC Meeting

Date: 11/1/2024 Requested by: Emerging Technologies Academy

Purpose of the funds requested:

Funding will be used to cover the cost of transportation to Emery Riddle in Daytona Beach. Students are building model electric vehicles and will be testing the aerodynamics in the wind tunnel at Emery Riddle. They will also participate in a tour of the campus. Grant funding can be used for Academy trips, but not for charter bus which would be needed based on the time and location needed.

What Part of the School Improvement Plan will these funds address?

By the end of the school year, student academic achievement will improve by 3% based on subject specific assessments. (i.e. CSA, AP, EOC, MPA, FAST, BEST, PLC created assessments). Subject specific assessment will be their industry certification exam. This trip will also assist with exposure to

How will you measure its effectiveness or impact?

Pass rate for industry certification exam and overall performance of the vehicle when the final build has been completed.

In order for this project to be funded by the School Advisory Council, you will be required to provide a 5 minute presentation on how it has been used to improve the school and/or the quality of teaching you are able to provide. Do you agree to this? (Yes or No) Yes
