Key Details for AP Exams

The expectation at Toco Creek High School is that all students who are enrolled in an AP class will take the exam in May. Please see important details regarding potential fees.

- If you drop the course after November 15th, you will be charged a \$40 exam return fee.
- Students who take the course and do not show for the exam in May will be charged an exam return fee of \$40.
- Please also note that AP exam "conflicts" are *only* considered when the exams are offered at the exact day/time. It is a common expectation that AP students may have two exams in one day, depending on the content (i.e. morning and afternoon exam, with a short break between exam sessions).
- Also, any requests for late testing must be submitted in advance and will only be approved under College Board guidelines. Approved late exams may incur an additional fee.

If you have any questions regarding this, you can reach out to our AP Coordinator, Stacey Johnson, at Stacey.johnson@stjohns.k12.fl.us
