

Greetings:

Tocoi Creek High School is offering an opportunity for rising **Juniors and Seniors** who need to meet graduation testing requirements by participating in the **Classical Learning Test – National College Report (CLT-NCR)**.

The CLT-NCR provides an alternative pathway for students and includes **extended time to complete the required testing sessions**, which may help students successfully meet graduation requirements. Many students also perform better when they can test in a familiar, on-campus environment.

Students will have the flexibility to take the assessment in one or more subject areas, including:

- **Math only**
- **Reading only**
- **Both Reading and Math**

To support student success, we will offer **Math Intervention Days on June 15th and June 16th from 10 AM-12 PM**, which will focus on test-taking strategies and preparation for the CLT-NCR.
