HIGH SCHOOL**

Re: Important Opportunity: Algebra 1 Summer Bootcamp & EOC Retake

Dear Parents/Guardians,

The FAST Algebra EOC results indicate that your child has scored a level 1 or 2. All students are required by state statute to pass this exam with a 3, 4, or 5 to earn a standard high school diploma.

As you may know, the Algebra EOC accounts for 30% of every student's yearlong Algebra grade. Consequently, there is the possibility that your student will not finish this year with a passing grade in his or her Algebra course and will not earn the required credit.

**Algebra Summer Learning Camp:**

We are offering an opportunity to remediate and retest this summer. Students that successfully complete the 10-day course will:

- Engage in intensive, teacher- led group instruction.
- You can select to earn a ½ ELECTIVE credit on their high school transcript. (to be eligible for the ½ credit students must attend **9 out of the 10 days.**)
- Re-take the Algebra EOC at the end of the camp.

**A passing EOC score, could increase your student's Algebra 1 grade on their transcript and set them up for continued success next school year.**

**When:** 10 am-12 pm each of the following days.

June 29 – July 2 (4 classes)

July 6- July 9 (4 classes)

July 13-14 (2 class) and July 15 (Algebra Exam)

**Where:** Tocoi Creek High School

**Register:** [Algebra 1 Bootcamp and Algebra 1 EOC Testing Form 2026](#) Please note that space is limited. Once capacity is reached, a waitlist will be created. Parents will be notified via Parent Square if your child has been placed on the waitlist.

**Fee:** NONE

**Last day to register:** June 5, 2026
