HHH HIGH SCHOOL CURRICULUM

- **Academic/Elective Offerings** – HHH will offer a diverse collection of courses in academics, career, technical, and elective areas. It is our goal to provide a rigorous learning path that prepares each student for the future. Exceptional Student Education (ESE), Standard, Advanced, Advanced Placement (AP), Dual Enrollment and Career-Technical Education certification programming will be available. A comprehensive course catalogue will be available in December 2020, courses subject to change based on student interest.
- **Elective Offerings** – Students can choose elective courses that support their individual interests or post-secondary pathway. Based on student need, elective offerings will include World Languages (ASL and Spanish), Music (Band/Marching Band, Jazz Ensemble), Chorus, 2D/3D and Digital Art, Digital Video Technology, Creative Writing, Journalism (Yearbook), Theatre/Drama, Physical Education/HOPE/Weight Lifting, and Computer Education. A comprehensive course catalogue will be available in December 2020, courses subject to change based on student interest.
- **Academies** – HHH will be launching three new academies for the 2021-2022 school year. Students may choose from the following during general academy open registration dates:
 - Academy of Future Healthcare Professionals – The electives in this academy will offer students and opportunity to explore careers in healthcare. Students will be able to visit healthcare facilities, participate in shadowing rotations and gain real-world experiences in the medical field.
 - Academy of Innovation in the Built Environment – The electives in this academy will provide a foundation in construction management, engineering and project-based coursework designed to foster creative and innovative learning experiences.
 - Academy of Leadership in Emerging Technologies – The electives in this academy will emphasize the use of emerging technologies and leadership, entrepreneurial and technical skills needed to be successful in rapidly changing industries (robotics, drones, coding) using future technologies.

HHH HIGH SCHOOL

- **Collegiate High School** – HHH High School will offer one of only two Collegiate High School district programs that will allow 9-12 grade students the ability to begin post-secondary dual enrollment coursework on-site as well as at St. Johns River State College. Being a Program of Choice, students from all St. Johns County Schools may take advantage of this opportunity.
- **Athletics** – Both Varsity and Junior Varsity fall, winter and spring programs will be available at the opening of the 2021 – 2022 school year based on student interest. HHH is planning on offering a full battery of athletic programs (football, volleyball, baseball, softball, swimming and diving, soccer, lacrosse, basketball, tennis, golf, weightlifting, cross country, track and field, competitive cheer, competitive dance, and wrestling).
