

# Meet Ms. Adair

## Favorites:

**Classes in High School:** History and math

**Sports team:** Washington Nationals (I'm from Virginia)

**Hobbies:** Hanging out with my kids and attending sporting events.

## About Me:

Mrs. Toni Adair was born and raised in Spotsylvania, Virginia. I have a bachelors in Computer Technology from the University of Mary Washington. A masters in Elementary Education from the University of Phoenix. A masters in Special Education from Liberty University.

Mrs. Adair began her career teaching in Spotsylvania County (the same county she grew up in). She taught Special Education in the area of Math. She is entering her 6<sup>th</sup> year teaching and the 3<sup>rd</sup> year in the district. Her first two years were at Nease High School. She looks forward to working with everyone and starting new traditions at Toco Creek!

Mrs. Adair and her husband Donald, along with her son and daughter, Jacob and Madison, enjoy spending time as a family. They attend many different sporting events and both of her kids play multiple sports.

"Obstacles don't have to stop you. If you run into a wall, don't turn around and give up. Figure out how to climb it, go through it, or work around it"

~Michael Jordan

## Personal Mission Statement:

"Every child should feel they have an adult in their corner in the learning environment that they are able to confide in and feel safe to talk to"
