About Me:

Ms. Emilee Francisco is from Fort Pierce, Florida and moved to St. Augustine in 2016. She attended Flagler College in which she received a bachelors in both Elementary Education and Exceptional Student Education. With complications from COVID, she finished her Degree online and moved back home awaiting what was in store. She found herself working in a middle school IND classroom where she found her educational philosophy for growth and a passion for inclusion. She has dreamed of the opportunities she left in St. Johns county and has found her home at Tocoi Creek. She will be completing her second year of teaching, but her first year of creating a program in which inclusion is at the heart.

You can find her at the beach playing volleyball or in a Jaguars Jersey. She enjoys the culinary arts and spending time with her dog, Zoey.

"We have to dance it out. That's how we finish."
-Christina Yang

Personal Mission Statement:

"Understanding is the first step to acceptance. Those who feel accepted always leave the door open for inclusion."
