## About Me:

I am a native Floridan, born and raised in Miami. I earned both a bachelor's and master's degree in Education from Florida State University. In 2015 my family relocated to St. Johns County due to my husband Steve's Navy career.

I have taught at Pacetti Bay Middle for the past 6 years, and I will be starting my 22<sup>nd</sup> year of teaching in August! I have taught most subjects, but my specialties are reading and organizational strategies. I am active in the volunteer and service community and look forward to continuing these activities alongside my students! I am very excited to reconnect with old faces and make new memories!

"Work for it more than you hope for it."

## Personal Mission Statement:

"As an educator it is my responsibility to inspire my students to set goals, and achieve success, to their fullest potential."
