“Creativity is allowing yourself to make mistakes. Art is knowing which ones to keep.”

– Scott Adams

About Me:

Art is a way to “Express” what you cannot say into words. I have had a passion for art since I was a little girl. I originally grew up in New Jersey and became a Floridian about 15 years ago. While I was in grade school, there wasn't a year where I did not take an art class. I continue my passion for art, and I went to Jacksonville University where I received my Bachelor of Fine Arts in Graphic Design. From there I went to pursue my teaching certificate in art. I have now been teaching for 10 years and enjoy working with my students building their artistic abilities.

Personal Mission Statement:

To be an artist you need to push yourself and think outside of the box. Artist do this everyday to show their creativity and imagination. For my students, I want them to “Express Themselves” to the fullest.
