About Me:

"Coach Skip" is originally from Griffin, Georgia. He moved here with his family in 2015. Recently, Coach Skipper completed his Ed.S in Educational Leadership through Grand Canyon University.

Coach Skipper began his teacher career at Pacetti Bay Middle School and later moved on to Pedro Menendez High School. At Menendez, Coach Skip taught ESE and served as Head Football Coach. During his time at Menendez, the school won their first ever district championship and finished with the top offense in the area in both 2018 and 2019. Most recently, Coach Skip coached at Bolles where they finished as 2019 state runner ups.

He and his wife Crystal have two future Toros, Oakley (8) and Knox (5). Together, they enjoy family beach days, participating in the Villages Flag and Baseball leagues, and spending time with family and friends. Coach Skipper is excited to help establish the tradition at Toco Creek!

If you are afraid to fail, you will never do the things you are capable of doing.
