

## TCHS Summer Reading Assignment

**Directions:** Complete the form below by responding in complete, detailed sentences. All data sheets can be turned in upon return to school and will be used as an extra credit formative for first quarter. You can print out the form and complete it manually or you can make a copy of the sheet and complete it digitally. In either case, a hard copy of the completed assignment may be submitted on the first day of class and throughout the first quarter.

|                                                                                                   |                                                   |
|---------------------------------------------------------------------------------------------------|---------------------------------------------------|
| <p>General Information</p> <p>Title:</p> <p>Author:</p> <p>Date of Publication:</p> <p>Genre:</p> | <p>Biographical Information about the Author:</p> |
| <p>Historical Information (more info about the book):</p>                                         | <p>Characteristics of the Author's Style:</p>     |

Plot Summary:—1 Paragraph per section of the book. This should be 100% your own words (not copied from an online source or another peer’s work).

|                             |                                                |
|-----------------------------|------------------------------------------------|
| Describe the Author's Tone: | Provide an example that demonstrates the Tone: |
|-----------------------------|------------------------------------------------|

*Memorable Quotes (at least 10-right click and add row to add additional quotes if you'd like)*

| Quotes           | Significance of each Quote:                                                                                                        |
|------------------|------------------------------------------------------------------------------------------------------------------------------------|
| "QUOTE" (pg. xx) | This quote sticks out to me because it reminded me of...<br>When I read this I thought...<br>After reading this, I predict that... |
|                  |                                                                                                                                    |
|                  |                                                                                                                                    |
|                  |                                                                                                                                    |
