

TOCOI CREEK HIGH SCHOOL

Dear Students, Parents and Guardians,

Another eventful week at TCHS comes to a close with a special ceremony being held at our Tuesday Night Lights football game where we had a chance to thank our community veterans in the first ever national anthem being played with our new flag pole flying the “Stars and Stipes”. As a special honor, and new tradition, Mr. and Mrs. Hinman had the honor of raising the first ever Toro Flag as a recognition of their unwavering support of TCHS. The Hinmans were also the perfect selection for this honor as they too have two children, and daughter-in-law currently serving in the US Army and US Navy. It is because of the sacrifice and support of families like the Hinman’s that we enjoy the freedoms afforded to our country...The Toro Nation offers it’s thanks to all our military veterans.

Rachel Blount’s Tocoï Introduction:

Hi, my name is Rachel Blount and I joined TCHS on 10/18. I absolutely love it here! I have been a School Counselor for 7 years. Most recently I was at Gamble Rogers Middle School, here in St. Augustine. Before that I was at Gruening Middle in Eagle River, Alaska. I lived in Alaska for 27 years, and in North Carolina for 12. I moved to St. Augustine in 2019 and am looking forward to making Florida home. The winters here are the best! I have a 5-year-old daughter named Amina, and 4 stepchildren: three boys and one girl. Along with the two dogs and cat, it's kind of like the Brady Bunch in my home.

I look forward to meeting you all and being a Toro!

TCHS Café News

Dear SJCS D Families,

As a result of COVID-19 pandemic, we are seeing nationwide disruptions to manufacturing, supply and distribution channels and it is impacting our school meal program. In short, we're having trouble getting foods, supplies and staff to support our program. Your student(s) may notice that we're serving different items than we've served in the past or different items than were listed on the menu. This situation is something that school districts across the country are experiencing. We are doing our best every day to come up with solutions to these challenges.

To reduce the demand on our supply chain and accommodate current staffing levels, the St. Johns County School District will **return to normal food service operations on Wednesday, December 1, 2021**. Students who qualify for free or reduced meals based on direct certification or a family income application will continue to receive meals at no or reduced costs. Students who are not eligible based on income will return to a **PAID status**.

Beginning today, October 25 through Tuesday, November 30, families are encouraged to complete the family lunch application if they feel they qualify for free or reduced cost meals. Applications are located on the SJCS D Website at <https://www.stjohns.k12.fl.us/food/free/>, your student's school or the Food and Nutrition Services Office located at 3015 Lewis Speedway, Building 7, St. Augustine, FL 32084. Eligibility status is protected by very strict disclosure regulations. Students use a PIN or Student ID in the serving line. The student's eligibility is private throughout the transaction.

If your student(s) attend(s) a Community Eligibility Program School, there is no need to complete an application. All students will continue to receive no cost meals through the end of the school year. These schools are as follows: Webster Elementary, Crookshank Elementary, Osceola Elementary, South Woods Elementary, Mason Elementary, The Transitions School, Gamble Rogers Middle School, Murray Middle School, Sebastian Middle School and St. Johns Technical High School.

Beginning Wednesday, December 1, 2021 Meal Prices will be:

		<u>Breakfast</u>	<u>Lunch</u>
Elementary:	Paid	\$1.25	\$2.80
	Reduced	\$0.30	\$0.40
Middle/High:	Paid	\$1.25	\$2.95
	Reduced	\$0.30	\$0.40

Prepayments into student lunch accounts can be made by using PayPams. The link to this service is located at <https://www.stjohns.k12.fl.us/food/paypams/>.

We will continue serving our students a variety of nutritious foods. While there may be some menu changes, please know that we will strive to meet nutrition guidelines set by the United States Department of Agriculture (USDA). We will also continue to accommodate students with special diets and allergies. We appreciate your patience and understanding. If you have questions, please contact the Student Nutrition Services Department at 904-547-8931.

Sincerely,
Sean Prevatt
Director of Food and Nutrition Services

School and District COVID Protocols

Dear Parents/Guardians,

The DOH has adjusted the student quarantine guidelines as of yesterday. There has been information sent out via the news stations but I wanted to communicate it clearly to you so that you understand your choices if you are notified that your child is a close contact of a positive COVID individual.

On 9/22/2021, the Department of Health has updated their emergency rule (64DER21-15) to include student quarantines.

1. *Student quarantines: (3)(a) Parents or legal guardians of students who are known to have been in direct contact with an individual who received a positive diagnostic test for COVID-19 **may choose one of the following options:***
 - a. *Allow the student to attend school, school-sponsored activities, or be on school property, without restrictions or disparate treatment, so long as the student remains asymptomatic; or*
 - b. *Quarantine the student for a period of time not to exceed seven days from the date of last direct contact with an individual that is positive for COVID-19.*

Based on this new ruling, you have a choice whether to quarantine your child or not, if they have no symptoms. Below is the new email communication that you will receive notifying you of your choices if your child is a close contact:

We have been advised that your child, [student name], has potentially been exposed to a COVID-19 positive individual on [exposure date]. In accordance with the FL DOH Emergency Rule, you may choose to keep your child home to quarantine for a period of time not to exceed seven days. Your child does not need to seek COVID-19 testing or produce a negative test result to return to school tomorrow if he/she is without any symptoms.

If you choose to keep your child home to quarantine, please call the District COVID Support Team at 904-547-8230 to report your child on quarantine.

If you have health-related quarantine questions, we have set up a quarantine call line at 904-819-1101.

To be clear, if your child has NO symptoms and is on quarantine, they may return to school if you choose. This begins today. If you choose to quarantine, you need to contact the District COVID support team and report that you are opting to quarantine your child. This also begins today.

Due to this change in policy, it is more important than ever to monitor your child for symptoms and keep them home if they are not well. We want students to be in school learning and we also want children healthy and safe. We are in this together and will continue to work together to navigate this new normal.

Thank you for your patience and understanding. If you have any questions, please call 904-547-8230 for further clarification.

Sincerely,

SJCSD Administration
