

I would like to take this opportunity to thank our Toro Support Organizations, parent volunteers and business partners for supporting TCHS in our inaugural year. A special recognition is also given to Heather Tooms – PTSO President, Wendy Lay – OneToro Arts President, and Jake Dunn – OneToro Athletics President for their willingness, energy and passion in building our first ever support organization programming for TCHS. A “servent leader” can be defined as a person who sacrifices themselves for the benefit of others. Ms. Tooms, Ms. Lay, and Mr. Dunn please accept our heartfelt Toro “Thanks” for what you, and your armies of parent volunteers and business partners, have done to support our students, staff and community.....this amazing year would not have happened with out you and your support!

As we enter into this holiday weekend, please know that the faculty, staff, and administration would like to thank our military family members, both past and present, for their sacrifice and service to our great nation. Memorial Day is a time for us to reflect on those who are no longer with us, but will always be in our thoughts and greatful memories.

Sincerely and Horns UP!

Jay Willets

Class of 2023 Senior News

Attention Rising Seniors: Leonard's Photography is now accepting bookings for the Class of 2023 senior portrait and photo sessions. Please visit <https://www.leonards.com/Welcome/>. Please select Seniors from the menu tab to view session options. Sessions do book quickly, especially since the photo sessions are done over the summer months.

Rising 9th Grade Information

Rising 9th graders and students new to TCHS should change their FLVS accounts from their previous school to TCHS. This is imperative for the many students who are starting to take high school courses this summer so that when they complete the course, the high school will see the final grade and can make schedule adjustments if needed.

Steps for Changing Account:

1. Login into your FLVS account
2. Click the Virtual School Administrator link to enter VSA.
3. Click the menu (3 lines) at the top left of the screen next to FLVS.
4. Click Student Records then Academic Profile.
5. Click the dropdown to the right of the Physical School and select the new school.
6. Scroll to the bottom right and click SAVE.

Important Reminders

Attendance - We are excited to share that our TCHS Attendance Page is now available on our website. This page will allow you to upload all early dismissal and absentee information digitally, including doctor's notes, so there is no need to turn in any documents to the front office due to an absence. This is the "one stop shop" for everything attendance and is compatible with any computer or phone.

[Please Click Here to Access the TCHS Attendance Information Page on our School Website](#)

After turning in information to the TCHS attendance page, please allow 48 hours for us to process information in HAC. We sincerely appreciate your patience as we work to help you and your student. As always, please do not hesitate to contact the front office at (904) 547-4260 if there is anything that you need.

Early Student Dismissal – [Please review HOW TO CHECK YOUR STUDENT OUT EARLY](#)

Drivers Education Courses – TCHS is pleased to collaborate with The St. Johns County Tax Collectors Office to provide drivers education courses to our students. Please visit [SJCTC DRIVER EDUCATION PROGRAM – St. Johns County Tax Collector \(sjctax.us\)](#) or <https://sjctax.us/student-driver-education/> for more information.

Guidance News

AP Students: You can send **one score report for free** every year that you take AP Exams. The deadline for choosing the college, university, or scholarship program that you want to send your 2022 AP scores to for free is **June 20**. Here's how:

- Sign in to [My AP](#) using your College Board username and password.
- Go to **My AP Profile** and select the **Score Send** tab.
- Type in the name of your college or university. When it appears on the list, select it and hit **Save**.

Good to Know

- Are you a high school junior, sophomore, or freshman? Selecting a college to send your scores to with your 1 free score send can help you stand out to that college by showing them your interest early.
- Score reports include both this year's and past AP Exam scores.

If you miss the deadline to use your 2022 free score send or you want to send additional score reports, you can order score reports online or by mail or fax anytime.

Junior Update:

School counselors will be visiting Juniors in their US History classes during the month of May! We will be completing a “super match” activity that will help students find their “best fit” schools to apply to for college. We will also be talking about how to start and finish the college application process. If you haven't already, now would be a great time to speak with your student about your family plans for location, type of school, areas of interest, etc. Once these visits are completed, the information will be shared via Schoology and the webpage.

SAT Update:

Registration for our last SAT of the spring, on June 4, is open for one more month. Juniors who haven't taken it yet should [register today](#).

Students who've already taken the SAT should link their College Board accounts to [Khan Academy®](#) so they'll be well prepared to take it again in the summer or fall

Guidance – Visit our [Guidance Services](#) page to find out how to connect with our school counselors about schedules, college planning or counseling services.

Bright Futures – New rules regarding [Bright Futures Scholarship Service Forms/Rules](#) are posted on the District Web Site and will be available in the TCHS Guidance Services office.

Registration Update:

The counselors have finished meeting with all the students to select their courses. From this point forward, all schedule change requests should be requested through the link on our website: <https://www-tchs.stjohns.k12.fl.us/registration/courses/>. **The deadline to request elective changes is June 2nd**.

SAT Update:

The SAT is designed to support the choices juniors will make about their life beyond high school. In fact, millions of students take the test each year as a step on their path to college. It's a globally recognized test that's the best way to show off the skills and knowledge colleges care about.

To get ready for test day, your teen can use the free, personalized SAT prep of [Official SAT Practice on Khan Academy®](#).

Registration for May is open, and seats are available.
