

Dear Toro Nation,

Good morning! Thank you to all the families that attended our first ever Toro Round-up this past week. While our textbooks may not have been ready, we had over 1,400 students pick up schedules, visit with counselors, get lockers and grab some swag from PTSO and OneToro Athletics. There is a lot of very important information in this Bull Pen Feed, so please read carefully. A second Feed with policies and procedures will be sent tomorrow, Monday, as it is too much to include in this edition.

We are reviewing petition requests and balancing courses this weekend. All students need to look at HAC Tuesday to know where they are going for homeroom on Wednesday where a hard copy of their schedule will be issued.

Unfortunately, we will start the year with teacher vacancies as there is a shortage of teachers nationwide. We are actively searching for potential candidates, but if you know of anyone interested, please have them email me at Jay.willets@stjohns.k12.fl.us

- 1 Spanish position: Spanish 1
- 1 60% Support Facilitation Teacher - ESE
- 1 Full Time Support Facilitation Teacher -ESE
- 3 ESE Paraprofessional – 2 one-on-one paraprofessional positions: working individually with one student and one general ESE paraprofessional
- 1 Custodial

We look forward to seeing you soon!

Sincerely and HORNS UP!

Jay Willets

Official TCHS Spirit Store Launches

[Click HERE to Begin Shopping for your OFFICIAL Toro Gear!](#)

TCHS will be partnering again with Baker Sports this year to provide our competitive and spirit needs. Based on community feedback, TCHS administration met with both Baker's Sports and Adidas to improve the athletic and spirit apparel service and programming. Baker's Sports is looking forward to meeting expectations and supporting our Toro community.

The following changes have been made:

- Order email chains that include tracking, contact information and order timelines
- Stockpiling of popular merchandise (hats, hoodies, sweatpants, etc...) in their Jacksonville store for fast processing and delivery
- Baker's representative will communicate with customers when items are backordered, choice will be offered when items are delayed/out of stock
- Restructuring and communication of team store programming
- Inservice with coaching staff and athletic administration on ordering timelines (began last Spring)
- Dedicated local sales representative for TCHS

In addition, we are excited to announce that TCHS Apparel will also be available in a local drug store in the near future for immediate purchase.

Any use of TCHS copyrighted logos (athletic or academic) is NOT permitted by second/third party vendors unless approved by administration

A Note from Baker Sports

Not all online spirit stores are created equal and Baker's Sports wants to help you understand this process. There are three main types of spirit stores that we offer for Toco Creek.

1. Toro Team Shop (School Spiritwear) - This store is open year round and processes weekly with about a 21 day turnaround to ship to your home.
2. Toro Team or Club Specific Store - This store is opened a limited timeframe specifically designated towards a team/club's season and when the store closes, a team's specific needs have been discussed with coach for turnaround times. These stores can be shipped to your home or delivered to team parent or coach depending on when items are needed.

A few notes of what ALL stores have in common:

- A. ALL STORES ARE PROCESSED UPON CLOSING - to clarify, we do not process orders like Amazon so it is not beneficial for items to be customized one at a time...hence, all stores are processed when they close. This means that if you miss the deadline, you can call and we may be able to open the store again, but your delay will cause all orders in the store to be delayed.
- B. There are no returns on customized items, however we are happy to help with most size charts on the system for items offered on the online stores.
- C. Due to supply chain (especially over the past year), we do our best to prevent out of stock items offered, but if this happens, we do our best to find a comparable substitute for you and give you an option to change prior to customizing if at all possible.
- D. If you should have questions about an open order, please feel free to contact us at **904.388.8126**. You can also follow the prompt on each individual store with an e-mail contact.

We look forward to the 2022-23 school year and please don't hesitate to reach out if we can assist with anything
