START OF SCHOOL INFORMATION

Supply Lists – TCHS will not post individual supply lists prior to school starting. Students will receive information from individual teachers as to necessary items for their class. It is recommended that students bring a general binder that can be divided into 7 different tabs to assist with organization of all classes. Each student will be provided one (1) TCHS Student Planner free of charge.

Lockers – All TCHS students will be offered a free locker in Building 4, 5 (Gym), and Band areas as appropriate.

During Toro Round-UP, Meet the Teacher, or within the first 2 weeks of school, students can select any locker that fits their schedule. PE and HOPE classes will be sharing lockers, varsity athletes will be issued lockers in team locker rooms.

Student Clubs – Toros will have the opportunity to help TCHS develop various formal and informal clubs for all students to join. Prior to the first quarter interims a Toro Club Virtual Fair will be held where students can select a club of their choosing.

CALCULATOR RECOMMENDATION

9th Grade Algebra teachers at TCHS highly recommend each child purchase their own scientific calculator. Our Algebra teaching team enjoys using the Texas Instrument and found success with the TI 30X A. Another option that students enjoy is the Casio FX 260. Please select one that works for your student.

These calculators are solar and scientific. Students who have their own personal calculator enables them to become familiar with all the different functions/buttons throughout the school year.

Additional calculators are located on the state calculator policy. To review the calculator policy for all state math testing please [CLICK HERE](#)

HELP

Schedules will be available on HAC Wednesday, July 26th & Thursday, July 27th.

For brand-new students to St. Johns County, schedules can be previewed through the parent's Home Access Center Account. Username - email address used during registration
Password - Temp1234#

Students will have these **TWO** days to review their schedule and notify us of a scheduling error or lowering a core course level using [this link](#).

Errors/changes will be corrected prior to school starting.

Errors include:

- a hole in the schedule
- a course on the schedule previously taken
- a missing course needed for graduation
- a missing course that is the next course in the progression from a course already taken. (For example, student took Spanish 1 last year with no grade lower than a C, but Spanish 2 is missing on schedule.)

Requests to increase a course level, change an elective, switch from a brick & mortar course to virtual, add modified, or to change a teacher will not be honored.

TCHS will be offering an Intro to the Teaching Profession class in the fall. This will be the 1st class in the Teaching Academy that will begin 2024-2025 and your student can get a head start. If interested, please use the "Teaching Academy" option under the "Core Course Request" link.

JUNIORS/SENIORS ONLY: modified/co-op period(s) might have been changed while classes were being balanced to meet class-size amendment requirements; therefore, requests to change a student's modified period(s) will not be honored.

ATTENTION:

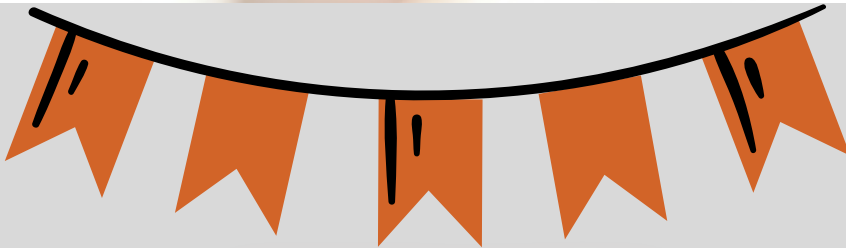

***Families that have not completed the annual RSV (Returning Student Verification) or have expired leases will NOT be able to see their schedule on July 26th & 27th. PLEASE take care of these issues **BEFORE** July 31st, so we can have HAC turned on before Toro Round-Up, which occurs 8/1 and 8/2.

**Students with an IEP or 504 will not automatically receive accommodations. A signed consent form is required to start the process. Please complete the form below and return to the front office.

SAT Consent for Accommodations Request

ACT Testing Accommodations Guidelines:

Students with a disability may be eligible for testing accommodations through ACT for the ACT test.

To request accommodations for your student, the ACT "Consent Form for Accommodations Request" must be signed by both the student and parent and returned to the Testing Coordinator.

Once the consent is received, we will begin the application process. For additional information about accommodations on the ACT, please visit their [website](#) or call them at 319-337-1332.

11th grade students wishing to take the school day ACT in March 2024 (paid for by the state) and are requesting accommodations, should do so before January 1, 2024.

Please keep in mind that the application and approval process can take up to 7 weeks and is NOT guaranteed. If you are interested in applying for College Board or ACT accommodations, please fill out the attached requests and return it to your school's Testing Coordinator.
