School Counselors attended our annual training with the State University Admission Directors, ACT/SAT/CLT representatives, and the Department of Education last week. There are a lot of updates this year that we are anxious to share with you and your students.

We will be dispersing this information in the following ways:

Individual Senior Meetings: Counselors will meet with every senior individually. The counselors will discuss graduation requirements and post-secondary planning with each student. These appointments are time consuming and will take the remainder of the nine weeks to complete so please be patient as your student waits for their turn. On campus students will receive a pass delivered by the guidance intern to one of their classes. Off campus students will be contacted to schedule an in person or virtual meeting.

Classroom Guidance:

School counselors will be visiting 9th and 10th grade English classes during the weeks of September 25th and October 2nd. A copy of the presentation will be posted on the school counseling webpage after the presentations. School counselors will be visiting 11th grade English classes during the week of October 17th. A copy of the presentation will be posted on the school counseling webpage after the presentation.

Website: The following sections of the website have received significant updates:

Bright Futures- Includes updated Bright Futures test score requirements for the class of 2024 and 2025. In addition, it specifies that community service hours and paid service hours can now be combined to reach the 100 hour requirement. Bright Futures has also extended the deadline to submit standardized test scores to the August 31st after graduation!

Testing for College- Includes an introduction to the Classic Learning Test (CLT) which is an online exam that can be taken from home and used for Bright Futures, College Admissions, and to meet high school graduation testing requirements! There is also additional information about the ACT, PERT, PSAT, and SAT exams.

Graduation Requirements - Includes notification that the on-line course requirement has been removed as a graduation requirement for all grade levels as well as NEW graduation requirements for students entering high school in the 23-24 school year and beyond.

Counselor Videos- Includes an updated Toro Academic Handbook which walks students 8-12th grade through navigating the high school and post-secondary process. It also has updated guides for both the Florida Private Schools and Florida State Universities which includes average accepted GPA's and test scores all in one place!
