MONTHLY NEWSLETTER

Tocoi Creek

WELCOME TO TOCOI CREEK HIGH SCHOOL'S CAREER ACADEMIES

Kristina Johnson, Career Specialist

Welcome to the first TCHS Academy Newsletter of 2023-2024. Each month I will be sending out a newsletter showcasing academy highlights, upcoming events, and important reminders. This newsletter will be found in the Bullpen, on our website, and in your child's academy Schoology group. The Schoology group pages are where important information will be posted on a continual basis. Beginning of the year review sessions have taken place. These sessions reviewed Academy contract, Schoology page, CTSO (Career and Technical Student Organizations), student rights, and responsibilities. We are excited for the growth in our Academies this year!

Coordinator

HOW CAN PARENTS GET INVOLVED?

If you work in the field of Emerging Technologies (drones, robotics, advanced manufacturing), Construction, Education, or Healthcare, let us know! We would love for you to join our Advisory Board, be a guest speaker, or become a potential field trip site host. If you think your business would be a good fit please contact Mrs. Johnson to learn more.

ACADEMY OF
**Innovation in the
Built Environment**
TOCOI CREEK HIGH SCHOOL

ACADEMY OF INNOVATION IN THE BUILT ENVIRONMENT

Level 1 students have been completing their OSHA training and learning about tools. Level 2-4 students have completed their first project which involved creating sawhorses from blueprints.

Upcoming projects: Level 2-4 Benches
Level 1- Planters

ACADEMY OF LEADERSHIP IN EMERGING TECHNOLOGIES

Students have been working on OSHA manufacturing training, safety/electricity, and Project Innovation. Capstone class has been working on Python, Inventor, and Raspberry Pi Pico. Students will create Raspberry Pi Pico LED boards.

ACADEMY OF
**Leadership in Emerging
Technologies**
TOCOI CREEK HIGH SCHOOL

FLAGLER HEALTH + ACADEMY OF FUTURE HEALTHCARE PROFESSIONALS

First Responder course had their first field study to the Emergency Operations Center this month. They learned how emergency calls are handled and how services are dispatched. EKG course participated in their first lab, which was a heart dissection. A&P and Health Sciences have taken their first summatives of the year!

ACADEMY OF
**Future Healthcare
Professionals**
TOCOI CREEK HIGH SCHOOL

TEACHING PROFESSIONS COURSE

Tocoi Creek currently has one section of Introduction into the Teaching Professions course. Students are participating in a teaching around the world project. Student observations will begin at Mill Creek Academy next month.
