Rising 9<sup>th</sup> grade Registration Information

# Introductions

## CHOOSING 24-25 Electives through Home Access Center (HAC)

Step 1: Beginning 1/24 log into student's HAC account using student username and password, NOT parent's login.

Step 2: Select "Classes"

Step 3: Select the "Request" tab

Step 4: Scroll down to electives section. Click the edit button to the right.

Step 5: Choose 5 courses listed under the "Electives" tab.

Step 6: If there is a recommended elective course in HAC that a student does not want on their schedule, student can discuss it during registration appointment.

DEADLINE: February 9th at 4:00pm

# What's on the student verification forms?

- Student verification forms contain:
  - Teacher recommended courses
  - Student requested electives via Home Access Center -opens today
  - Hope will be loaded onto all 9<sup>th</sup> grade schedules
- If you have a duplicate course on the form, mark through it.
- If you did not select any electives or would like to change an elective, mark through the course, and circle your choices on the back.
- Parent and student must sign the bottom of the form and bring it to scheduling appointment.

552 - Toccoi Creek High School

Student ID	Name	Grade	Homeroom	Counselor	House/Team

2109320	World History Honors	World History	1.0000
			10.0000

Counselor's Notes - Do not write in box

**CORE COURSES and Electives – English, Math, Science, (Social Studies 10<sup>th</sup>, 11<sup>th</sup>, 12<sup>th</sup> only)**

Above are the teacher recommendations for these subjects for 23-24 school year as well as the electives chosen in HAC.

- If you want to change a course to a lower level, mark through the course and write new course title.
- If you want to change a course to a higher level, discuss this option with your current teacher.
- Rank your electives 1-5 on the left-hand side of course title.

Parent Comment/Question Box

Please consider your course selections carefully and ensure that you understand the course expectations.

I understand that the school will make final course placement decisions in June after reviewing test scores and final course grades. I also understand that the final day to request any ELECTIVE change is May 25<sup>th</sup>.

# Hope over the summer?

Florida statute requires students to take one (1) credit of physical education in high school, which must include the integration of health. This course requirement can be satisfied when students successfully complete Health Opportunities through Physical Education (HOPE), a one-year course. Due to the content, students are encouraged to take the course at their high school. The course includes topics such as Mental/Social Health, Alcohol and Drug Prevention, and Internet Safety.

Students are eligible to begin the HOPE course prior to completing the 8th grade

# Typical 9th grade schedule

## 7 classes - 4 Core/3 Electives

1. Math - *Algebra, Geometry, Algebra 2*
2. English 1
3. Science - *Environmental, Physical Science, Biology*
4. World History
5. Hope
6. 2 additional electives(World Language, Academy class...)

# What if I disagree with a teacher recommendation or would like to change my electives?

- 1) To change a course to a lower level, mark through the course and write new course title.
- 2) To change a course to a higher level, submit a course petition using the Course Petition Form (see middle school counselor)
- 3) To change an elective, you can make changes at your registration meeting.
- 4) Post meeting changes - use the Change link on the website.
  - This includes HOPE - if you plan on taking HOPE over the summer, you must register prior to May 24th and TCHS must be listed as the School on FLVS platform.
  - Course petition and elective change deadline is May 24th, the last day of school.

# TCHS Honors Criteria

Moving from Standard to Honors -  
A/B grade with Level 4/5

Moving from Honors to Standard - C  
or lower grade and level 3 or lower

AP - A/high B grade with high level  
4/5

# Honors vs AP

What Are Honors Classes  
in High School?

Honors classes cover the same or similar material as regular classes but provide more depth and insight into the subjects at hand. More challenging content means studying takes more time, projects require more work, and tests are more challenging.

As a result, honors students can develop better study habits and more effective test-taking skills. Fast-paced and interactive honors classes can also simulate a college classroom better than regular classes.

# Honors vs AP

What Are AP Classes in High School?

AP classes introduce high school learners to rigorous college-level training. Unlike honors classes, AP courses can also provide college credit if students earn sufficiently high scores on the corresponding AP exams. Additionally, these classes can help you bypass certain admission requirements and gain entry into elite colleges across the country.

AP classes run throughout the year, require a considerable amount of after-school studying, and conclude with examinations. AP exams are scored on a scale of 1-5, with scores of 3 and above considered passing grades. Colleges sometimes count scores of 3 and above for college credit, although the most prestigious schools may only consider scores of 4 or 5.

# What if I am accepted into an Academy?

If students are accepted into an Academy, one of their electives will be replaced with the academy elective.

Students will indicate which elective they want replaced during their conversations with the registration team.

Students may also indicate whether they are declining acceptance to a TCHS academy during registration conversations.

# Registration Dates

PBMS - February  
26th and February 27th

MCA - February 29th and  
March 1st

Non-feeder  
schools/Make-ups - TBA

\*\* parents are more than  
welcome to be part of  
the conversations via  
phone\*\*\*

# Questions??

- Counselors and Registrar are available in the courtyard after the presentation
- Thank You!!!
- Horns Up Toros!!!

# Rigorous and Relevant Curriculum

By enrolling in a Career Academy, you can receive a great education and authentic experience to prepare you for the high-wage, high-skill, and high-demand jobs of tomorrow.

Academy of Innovation in the Built Environment

# Academy of Innovation in the Built Environment

This academy is focused on developing a deep understanding of construction management and innovations in construction design. Engineering, design, and project management are integral components of the courses. Construction projects allow students to experiment with materials and learn safety procedures that are integral industry concepts.

## Industry Certifications

- OSHA-10
- AutoCAD
- Revit

Future Educators  
TOCOI CREEK HIGH SCHOOL**

## Tocoi Creek High School Early College Program

- This program allows admitted students to complete 60 credits of dual enrollment coursework, culminating in earning both a high school diploma as well as an Associate of Arts (AA) Degree upon the completion of four years of high school.
- Students received an invitation to the information session because they meet the three application requirements. Students must have and maintain an overall 3.0 unweighted GPA in all high school and college coursework to participate in the Early College Program or dual enrollment.
- Early College program students attend all classes at SJRSC senior year.
- Eligible students will apply through the SJCS D Career Academy portal system.
- Point of Contact:  
Elizabeth Wright, 904-547-4274,  
[Elizabeth.wright@stjohns.k12.fl.us](mailto:Elizabeth.wright@stjohns.k12.fl.us)

## Application Process

- Complete online application through student's Home Access Center (HAC).
  - Opens January 4, 2024
  - Closes January 31, 2024 @ 5:00 pm
- If applying for IB or AICE, request a completed Teacher Recommendation form from your four core content area teachers.
- If applying for SJCCA, apply and audition by January 24, 2024.
- Registration information:  
<https://cte.stjohns.k12.fl.us/academies/>
- \*NOTE: If students attend a school other than their zoned school, they must provide their own transportation.

# FAQ

- Students must apply through their HAC login. Application will NOT be available through parent login.
- Current St. Johns County residents must apply during application window.
- Non-SJCSD students must pre-register for following school year and apply during application window.
- Late Application may not be used for a secondary application
- Common Application Errors
  - Multiple 1<sup>st</sup> Choice Options
  - Applications for a duplicate program at zoned school
  - Multiple applications for one student
  - More than three selections
  - Duplicate Academy selections
  - Student is already enrolled in an Academy
