## TCHS Is Offering Dual Enrollment on Campus!

TCHS is pleased to announce that we will be offering a limited number of seats in two ON CAMPUS Dual Enrollment courses. These courses will be held at TCHS during the school day but will still be St. Johns River State College Courses.

Students are required to have a 3.0 UNWEIGHTED GPA to be eligible. These courses will start the student's college transcript and parents will not be able to track grades in HAC. Students are allowed to enroll in one or both courses and can do a combination of on and off campus Dual Enrollment (if their schedule allows).

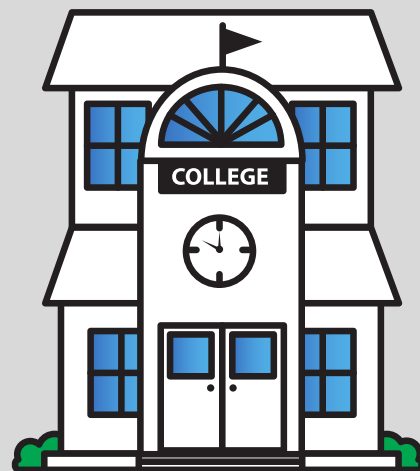

**Option 1: ENC1101 (Fall) and ENC1102 (Spring):** Students enrolled in this course for the year will earn 2 credits of high school English as well as their college ENC1101 and ENC1102 credits. In addition to a 3.0 unweighted GPA, students must have qualifying test scores (<https://www-tchs.stjohns.k12.fl.us/guidance/dual-enrollment-general-information/>). Enrollment in this course will replace their English course. This course is intended for 11th and 12th grade students.

**Option 2: SLS and Intro to Business OR Financial Literacy (TBD by the school):** Students enrolled in this course will earn elective credits for both high school and college. In addition to the 3.0 unweighted GPA, students must submit test scores from the ACT, CLT, PERT, PSAT, OR SAT in order to be eligible for the course. There is not a minimum test score requirement for this course. Enrollment in this course will replace an elective course. This is a good beginning college course for students in 10th-12th grade.

**SEATS IN THESE COURSES ARE LIMITED!** In order to secure your seat, students must submit the completed Registration Form (no CRN number is necessary for on campus courses) to Ms. Ricketts' in the 3rd Floor Guidance office. Ms. Ricketts' is time stamping the forms so submitting the forms anywhere else (including your school counselor) will cause a delay in your time stamp. We will **START** accepting these forms on March 19, 2024. Students MUST also submit the Consent Form AND a copy of their test scores to receive their time stamp. Students that have already submitted their test scores and consent form to their counselor are only required to submit their registration form to Ms. Ricketts'.

## SCHOOLGY PARENT ACCESS

Schoology Parent Access allows parents to easily see Schoology information for all of their children in one place.

If you have previously signed up for Schoology Parent Access for your child, you do not need to do so again. Please note: If you forget your Schoology Parent Access Account password, you will need to follow the instructions provided on the Schoology.com site to reset or retrieve your password. The St Johns County School District does not have access to parent account passwords.

You will need to find the Schoology Parent Access Code for your Child. This is located in HAC under “Registration” and then “Additional Information”

If you have never used Schoology Parent Access:

If you have another child at a St Johns County School District school that is using Schoology, you can easily add them to your parent access account by following these steps. Click on the down arrow near your name on the right of the screen. Scroll down and click “add child.” Type in the access code for that child (provided to you by your child’s school).
