Tocoi Creek High School Summer Edition

Toro Nation,

Happy Summer! I hope this special edition newsletter finds you in the middle of enjoying time with friends and family! The TCHS staff is prepping our campus, classes, and systems for the new year during our busy summer months.

We are excited to welcome the Class of 2028 to Freshman Day on August 1st. During this event our newest Toros will meet new friends, tour the school, meet their Link Crew mentor, and get to know what it means to be a part of The Herd! Be sure to check Pg 2 for more information.

To our current Toro families, expect to see report cards to be posted during the week of July 1st as we have finally received state testing scores for grade adjustments.

Construction to the SR 2209 extension area next to the school is expected to be completed before school begins. Please continue to utilize the entrance/exit areas on International Golf Parkway to gain access to campus. The entire project, connection to Silverleaf, is expected to be completed by the end of summer, 2025.

Horns UP!

Sincerely,
Mr. Jay Willets
Principal

THE HUB at Happenings

Read this summer!

TCHS students and staff are encouraged to read the 2024/2025 Florida Teens Read books. Upon returning to school in the fall, students should come to The Hub to receive prizes for the books that they read. Students who read the Florida Teens Read books will be invited to participate in the Battle of the Books club and district Battle of the Books Competition. More information about this amazing program is below. Many of the books are available as digital audiobooks and eBooks in the TCHS library which can be accessed through Destiny (instructions below). They are also available at major bookstores and the public library. Let's get reading, Toros!

About the program:

The Florida Teens Read (FTR) program is a student-choice reading award program to determine which YA book wins the annual award as the favorite of teens in Florida. The reading list is comprised of fifteen titles that have been chosen by a committee of fourteen school librarians specifically to engage high school students (grades 9 through 12) in reading and reflect their interests as well as represent a variety of genres, formats, reading levels, viewpoints, and ethnic and cultural perspectives.

The Florida Teens Read program is designed to entice teens to read. In order to engage their interest and to provide a spur to critical thinking, the book selections include those that may involve sensitive issues. The content of some of the titles may be more mature than younger students may have previously encountered. Please recognize that this is a voluntary reading program. Not every book selected will suit every student. A description of the titles can be found [here](#). More information about the Florida Teens Read program can be found [here](#).

Your school counseling team is looking forward to enjoying their summer vacation with you!

While our counseling team enjoys their summer break, we hope that you will take advantage of the many resources on our [school counseling website](#).

We particularly want to draw your attention to our [23-24 Toro Guide](#) which has a lot of information that can guide you through high school and your post-secondary plans.

If you are in need of information from a counselor this summer, please reach out via email to our school counseling Team Lead Linda Smith (Linda.M.Smith@stjohns.k12.fl.us). She will be working part time this summer and will respond to you as soon as she is available.

To assist you in advance, we have a few reminders for common summer questions:

- 1. Dual Enrollment:** Dual Enrollment students should check their “concise student schedule” to confirm their Fall course enrollment. Students not enrolled in their requested courses should check their email for communication from SJR. If any additional information needs to be submitted, reach out to school counselors Laura Kuhel or Linda Smith. We are no longer accepting registration paperwork for NEW Dual Enrollment students.
- 2. Schedule Changes:** We are no longer accepting schedule changes for the 24-25 school year. Schedules will be available for preview in HAC on July 24-25th and a link will be available for any scheduling errors at that time.
- 3. Summer School:** Parents of students recommended for summer school should have received an email from their student’s counselor. Those parents will receive additional communication via school messenger from the district office. Summer school will run from May 30-June 21st. Any other parent wanting their student to take courses over the summer should request those courses through www.flvs.net and request approval from Linda Smith. Note that students can only retake classes that they earned a “D” or “F” and can not request courses that are already on their 24-25 schedule at school.

GENERAL SCHOOL INFO

SCHOOLGY PARENT ACCESS

Schoology Parent Access allows parents to easily see Schoology information for all of their children in one place.

If you have previously signed up for Schoology Parent Access for your child, you do not need to do so again. If you have not created a Schoology Parent Access Account or need to add a child to your account, please follow these instructions. Please note: If you forget your Schoology Parent Access Account password, you will need to follow the instructions provided on the Schoology.com site to reset or retrieve your password. The St Johns County School District does not have access to parent account passwords.

You will need to find the Schoology Parent Access Code for your Child. This is located in HAC under “Registration” and then “Additional Information”

If you have never used Schoology Parent Access:

- 1) Go to www.schoology.com
- 2) Click on “Sign Up”
- 3) Click on “Parent”
- 4) Type in the Schoology Parent Access Code from HAC
- 5) Click “Continue”
- 6) Type your information (not your child’s information) in the boxes.

- 8) Click “Register”
- 9) You are now logged into Schoology Parent Access.

To see your child’s information, go to the right side of the screen and click on the down arrow near your name. Click on your child’s name. If you have another child at a St Johns County School District school that is using Schoology, you can easily add them to your parent access account by following these steps. Click on the down arrow near your name on the right of the screen. Scroll down and click “add child.” Type in the access code for that child (provided to you by your child’s school). Click “Use Code.” You can now easily switch between your children’s Schoology accounts.
