## Tocoi Creek High School Summer Edition

Toro Nation,

Data Roll-Over has occurred and we are now communicating with all our new, and current, Toro families.

Included in this communication are important updates on:

- NHS Application - links and deadlines
- Transcript Information
- Freshman Day - Dates and Times
- Athletics - Try-Outs, Home Ticket Passes for Students, and Sideline Store
- Summer Required Reading Lists
- Senior Painting of the Toros Information

We are looking forward to July 24th and 25th when student schedules are visible to students and parents through HAC. If there are no needed changes, then your Toro's schedule is ready for the new year. If there are any changes needed, that fit change criteria, then links will be offered for students to petition a change following the preview dates.

Construction to the SR 2209 extension area next to the school is progressing as expected. Access to the TCHS main gates is scheduled to be accessible during the week of August 5th.

New portables are being installed, these units will eventually be two story. Due to weather, access to our portables is expected to be available during the week of August 5th. If adjustments are necessary, communication will be issued for any needed changes.

Sincerely and **Horns UP!**,

# CLASS OF 2025 TRANSCRIPT INFO

Class of 2025- Are you ready to apply to college?!

This is an exciting time for you and we know that many of you are eager to get started. Unfortunately, we are in a transition period with our transcript submission system. As of June 30, 2024, we are no longer able to send transcripts via Naviance. Our new transcript system will roll out this Fall. In the interim we are only able to send transcripts electronically to schools inside the state of Florida. If you are looking to apply out of state, you will need to wait until our new system rolls out or request a paper copy of your transcript to mail to the institution. You can request your hard copy transcript here: <https://www-tchs.stjohns.k12.fl.us/guidance/transcripts/>

The new system will have detailed instructions on our website to assist students already working on their college applications once it is ready. Our school counseling team will be visiting senior English classes during the first month of school to go over the new system with seniors and teach them how to use it. School counselors will also be hosting Toro Time sessions in September to assist students with their college applications. We hope your students are getting those test scores up and narrowing down those college lists. We look forward to helping finalize those applications this Fall!

# GUIDANCE INFORMATION

HELP

Your school counseling team is looking forward to enjoying their summer vacation with you!

While our counseling team enjoys their summer break, we hope that you will take advantage of the many resources on our [school counseling website](#).

We particularly want to draw your attention to our [23-24 Toro Guide](#) which has a lot of information that can guide you through high school and your post-secondary plans.

If you are in need of information from a counselor this summer, please reach out via email to our school counseling Team Lead Linda Smith ([Linda.M.Smith@stjohns.k12.fl.us](mailto:Linda.M.Smith@stjohns.k12.fl.us)). She will be working part time this summer and will respond to you as soon as she is available.

To assist you in advance, we have a few reminders for common summer questions:

- 1. Dual Enrollment:** Dual Enrollment students should check their “concise student schedule” to confirm their Fall course enrollment. Students not enrolled in their requested courses should check their email for communication from SJR. If any additional information needs to be submitted, reach out to school counselors Laura Kuhel or Linda Smith. We are no longer accepting registration paperwork for NEW Dual Enrollment students.
- 2. Schedule Changes:** We are no longer accepting schedule changes for the 24-25 school year. Schedules will be available for preview in HAC on July 24-25th and a link will be available for any scheduling errors at that time.
- 3. Summer School:** Parents of students recommended for summer school should have received an email from their student’s counselor. Those parents will receive additional communication via school messenger from the district office. Summer school will run from May 30-June 21st. Any other parent wanting their student to take courses over the summer should request those courses through [www.flvs.net](http://www.flvs.net) and request approval from Linda Smith. Note that students can only retake classes that they earned a “D” or “F” and can not request courses that are already on their 24-25 schedule at school.

TCHS students and staff are encouraged to read the 2024/2025 Florida Teens Read books. Upon returning to school in the fall, students should come to The Hub to receive prizes for the books that they read. Students who read the Florida Teens Read books will be invited to participate in the Battle of the Books club and district Battle of the Books Competition. More information about this amazing program is below. Many of the books are available as digital audiobooks and eBooks in the TCHS library which can be accessed through Destiny (instructions below). They are also available at major bookstores and the public library. Let's get reading, Toros!

## About the program:

The Florida Teens Read (FTR) program is a student-choice reading award program to determine which YA book wins the annual award as the favorite of teens in Florida. The reading list is comprised of fifteen titles that have been chosen by a committee of fourteen school librarians specifically to engage high school students (grades 9 through 12) in reading and reflect their interests as well as represent a variety of genres, formats, reading levels, viewpoints, and ethnic and cultural perspectives.

The Florida Teens Read program is designed to entice teens to read. In order to engage their interest and to provide a spur to critical thinking, the book selections include those that may involve sensitive issues. The content of some of the titles may be more mature than younger students may have previously encountered. Please recognize that this is a voluntary reading program. Not every book selected will suit every student. A description of the titles can be found [here](#). More information about the Florida Teens Read program can be found [here](#).
