 - Giving yourself time - it takes time to construct a quality essay. Following directions - word count and font size may be eligibility requirements.
 - Focusing on the topic - answer the question that is being asked.
 - Proofreading and editing your work - be clear, concise, and correct any errors.
 - Getting feedback - ask family or counselors to read your essay and provide feedback.

Class of 2025- Are you ready to apply to college?!

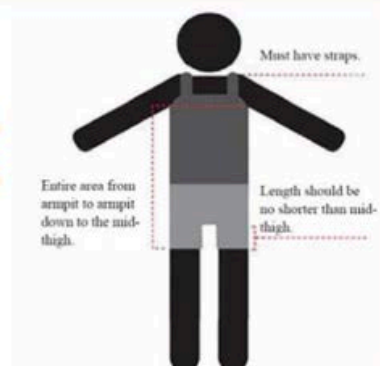

This is an exciting time for you and we know that many of you are eager to get started. Unfortunately, we are in a transition period with our transcript submission system. As of June 30, 2024, we are no longer able to send transcripts via Naviance. Our new transcript system will roll out this Fall. In the interim we are only able to send transcripts electronically to schools inside the state of Florida. If you are looking to apply out of state, you will need to wait until our new system rolls out or request a paper copy of your transcript to mail to the institution. You can request your hard copy transcript here: <https://www-tchs.stjohns.k12.fl.us/guidance/transcripts/>

The new system will have detailed instructions on our website to assist students already working on their college applications once it is ready. Our school counseling team will be visiting senior English classes during the first month of school to go over the new system with seniors and teach them how to use it. School counselors will also be hosting Toro Time sessions in September to assist students with their college applications. We hope your students are getting those test scores up and narrowing down those college lists. We look forward to helping finalize those applications this Fall!

SCHOOL SHOPPING TIPS

TCHS follows the St Johns County School District Code of Conduct when applying expectations for student dress and conduct on campus. Before taking advantage of the tax free holidays, please be sure to review the information provided in the Code of Conduct. We are looking forward to another school year of sharp dressed Toros!

Dress Code Awareness and Reminders

As you begin back to school shopping, please remember: all students must come to school wearing clothes that cover you from armpit to armpit and armpit to mid-thigh.

School Supplies - What does my Toro Need?

During Meet the Teacher and the first days of school, your Toro will receive information from their teacher for any additional needs.

As a general rule, each student should have the following:

- Binder and folder for each class
- College lined paper
- Preferred pens, highlighters, and pencils
- Calculator for specific classes - see graphic for Alg/Geo
- Backpack
- Water Bottle

ATTENTION ALGEBRA 1 AND GEOMETRY STUDENTS!

You will need **your own calculator** each day for class as teachers do not have enough for everyone. Your teacher recommends the following:

TI-30xa or Casio fx-260 solar

This calculator can also be used in your science class and most future math courses. If you have any questions, please reach out to your student's math teacher once schedules have posted or Mrs. Arline.

Are there any additional fees for specific classes?

If there are any lab, equipment, special supply needs for your child's class, the teacher will provide you with a Fair Share link within the first few weeks of school. These fees help our programs provide services/activities that go beyond school funding to help enrich academic experiences at TCHS. Typically, classes that have high consumable supply needs (arts, sciences, career) utilize these fees to help provide our Toros with amazing experiences. At NO time is a student kept from participating if their Fair Share is not paid.

About the program:

The Florida Teens Read (FTR) program is a student-choice reading award program to determine which YA book wins the annual award as the favorite of teens in Florida. The reading list is comprised of fifteen titles that have been chosen by a committee of fourteen school librarians specifically to engage high school students (grades 9 through 12) in reading and reflect their interests as well as represent a variety of genres, formats, reading levels, viewpoints, and ethnic and cultural perspectives.

The Florida Teens Read program is designed to entice teens to read. In order to engage their interest and to provide a spur to critical thinking, the book selections include those that may involve sensitive issues. The content of some of the titles may be more mature than younger students may have previously encountered. Please recognize that this is a voluntary reading program. Not every book selected will suit every student. A description of the titles can be found [here](#). More information about the Florida Teens Read program can be found [here](#).
