NAVIGATING YOUR FINANCIAL FUTURE

FOR HIGH SCHOOL STUDENTS

Fall Checklist for High School Seniors

During your senior year, you will finalize your college choice. This year is filled with admission applications, scholarship essays, financial aid information, and the need to meet deadlines. Throughout your senior year, continue to build your resume by achieving academic success, as well as participating in extracurricular activities. Colleges are interested in well-rounded students.

The college preparation that takes place during your senior year is filled with many details and paperwork. It is very important that you involve your parents with this process.

Below are the tasks you should complete during the fall term:

- Take the ACT, Classic Learning Test (CLT), and/or SAT.
- Continue working on your admissions essays.
- If you haven't already done so, sign up for an FSA ID to complete your FAFSA online. Remind your parents that they will need an FSA ID, too. Make sure to protect your FSA ID and keep it in a secure place so that you will have it later when you need it. Keep copies of all financial aid and enrollment documents in a file. Contact the U.S. Department of Education at 1-800-4FED-AID or 1-800-433-3243 for assistance.
- Plan to attend a FAFSA preparation event (free FAFSA advice) near you.
- Complete your FAFSA online to determine your financial aid eligibility.
- Watch for an email notice indicating that your FAFSA Submission Summary (FSS) is ready.
- Review your Student Aid Report (SAR) for errors and make corrections as indicated.
- Attend college planning and/or financial aid information nights and college fairs. If you cannot attend, ask if you and your parents can borrow a video of the presentation from your counselor.
- Visit your top school choices. If possible, make appointments with faculty, staff, and students.
- Meet with your counselor to develop a college admission and financial aid application plan.
- Contact the schools' financial aid offices to determine which forms they require. Some schools may require special forms.
- Finalize portfolios, audition tapes, writing samples, or other evidence of talent if required for admission.

Happenings at THE HUB

Toros! Head to The Hub to try their newest coffee flavor, the cinnamon roll flavored Worldly Toro!! Profits will go to supporting the Model United Nations Club.

All TCHS students and staff are encouraged to read the 2024/2025 Florida Teens Read books!!! After completing a book, students should come to The Hub to receive prizes for the books that they read. Students who read the Florida Teens Read books will be invited to participate in the Battle of the Books club and district Battle of the Books Competition. More information about this amazing program is below. Many of the books are available as digital audiobooks and eBooks in the TCHS library which can be accessed through Destiny (instructions below). They are also available at major bookstores and the public library. Let's get reading, Toros!

About the program:
 The Florida Teens Read (FTR) program is a student-choice reading award program to determine which YA book wins the annual award as the favorite of teens in Florida. The reading list is comprised of fifteen titles that have been chosen by a committee of fourteen school librarians specifically to engage high school students (grades 9 through 12) in reading and reflect their interests as well as represent a variety of genres, formats, reading levels, viewpoints, and ethnic and cultural perspectives. The Florida Teens Read program is designed to entice teens to read. In order to engage their interest and to provide a spur to critical thinking, the book selections include those that may involve sensitive issues. The content of some of the titles may be more mature than younger students may have previously encountered. Please recognize that this is a voluntary reading program. Not every book selected will suit every student. A description of the titles can be found [here](#). More information about the Florida Teens Read program can be found [here](#).

SCHOOLY PARENT ACCESS

How to Login and Use Schoology Parent Access

Schoology Parent Access allows parents to easily see Schoology information for all of their children in one place.

If you have previously signed up for Schoology Parent Access for your child, you do not need to do so again. If you have not created a Schoology Parent Access Account or need to add a child to your account, please follow these instructions. Please note: If you forget your Schoology Parent Access Account password, you will need to follow the instructions provided on the Schoology.com site to reset or retrieve your password. The St Johns County School District does not have access to parent account passwords.

You will need to find the Schoology Parent Access Code for your Child. This is located in HAC under “Registration” and then “Additional Information”

If you have never used Schoology Parent Access:

- 1) Go to www.schoology.com
- 2) Click on “Register”
- 3) Click on “Parent”
- 4) Type in the Schoology Parent Access Code from HAC
- 5) Click “Continue”
- 6) Type your information (not your child’s information) in the boxes.
- 7) Check the appropriate boxes at that bottom of your information
- 8) Click “Register”
- 9) You are now logged into Schoology Parent Access.

To see your child’s information, go to the right side of the screen and click on the down arrow near your name. Click on your child’s name. You will now be able to see all of the information in Schoology related to your child including updates, discussion posts, tests and quizzes, and calendar items.

If you have another child at a St Johns County School District school that is using Schoology, you can easily add them to your parent access account by following these steps. Click on the down arrow near your name on the right of the screen. Scroll down and click “add child.” Type in the access code for that child (provided to you by your child’s school). Click “Use Code.” You can now easily switch between your children’s Schoology accounts.

If you already have a Schoology Parent Access account (created for a child at another SJCS D school):

- 2) Login with the information you used to create the account
- 3) Click on the down arrow near your name on the right side of the screen
