CERTIFICATION TESTING UPDATE

As a certified testing center, the certification exams administered at TCHS are proctored through Certiport, an independent testing platform. Students with an Individualized Education Plan (IEP) or 504 may apply for accommodations through Certiport. Because it is an outside testing company, like ACT or SAT, accommodations, such as extended time, must be applied for and implemented to the individual student's testing platform by Certiport. The school cannot request these services, the student and their legal guardian (if student is under 18) must submit the request directly to Certiport. Accommodations are granted by Certiport annually, so even if your student was granted accommodations for testing in the 2022-2023 school year, the application must be submitted again for the 2023-2024 school year to ensure that accommodations are provided at the time your student tests. [Certiport has an online accommodations application process. The process is detailed on their website at: https://certiport.pearsonvue.com/Educator-resources/Exam-policies/Accommodations.aspx](https://certiport.pearsonvue.com/Educator-resources/Exam-policies/Accommodations.aspx)

SCHOOLY PARENT ACCESS

How to Login and Use Schoology Parent Access

Schoology Parent Access allows parents to easily see Schoology information for all of their children in one place.

- 2) Click on “Register”
