SCHOOL SUPPLIES - WHAT DOES MY TORO NEED?

DURING MEET THE TEACHER AND THE FIRST DAYS OF SCHOOL, YOUR TORO WILL RECEIVE INFORMATION FROM THEIR TEACHER FOR ANY ADDITIONAL NEEDS.

AS A GENERAL RULE, EACH STUDENT SHOULD HAVE THE FOLLOWING:

- Binder & folder for each class
- College lined paper
- Preferred pens
- Highlighters
- Calculator for specific classes - see graphic for Alg 1 /Geo
- Backpack
- Water Bottle

ATTENTION ALGEBRA 1 AND GEOMETRY STUDENTS!

You will need **your own calculator** each day for class as teachers do not have enough for everyone. Your teacher recommends the following:

TI-30xa or Casio fx-260 solar

This calculator can also be used in your science class and most future math courses. If you have any questions, please reach out to your student's math teacher once schedules have posted or Mrs. Arline.

Fair Share

If there are any lab, equipment, or special supply needs for your child's class, the teacher will provide you with a Fair Share link at the start of the school year.

Typically, this is for classes that have high consumable supply needs (arts, sciences, career). Our teachers utilize these fees to help provide our Toros with enriching, hands-on experiences.

- Complete the required coursework (by high school graduation);
- Achieve the required grade point average in the required coursework;
- Complete the required number of volunteer/paid hours (by established deadline); and
- Achieve the required college entrance exam score for tests taken no later than August 31, 2025. Refer to the Bright Futures Student Handbook for complete program requirements: www.FloridaStudentFinancialAidsg.org/SAPBFMAIN/SAPBFMAIN.
- Although ACT[®], CLT[®], and SAT[®] may offer test dates beyond August 2025, final evaluations for 2025 graduating seniors will only consider test dates for exams taken no later than August 31, 2025, for the Bright Futures Scholarship Programs authorized by rule 6A-20.028, Florida Administrative Code.

Bright Futures Summer Funding:

- Funding is available during the summer term for Bright Futures Florida Academic Scholars (FAS) and Bright Futures Florida Medallion Scholars (FMS). Funding is only available if the postsecondary institution allows an FAS/FMS student to enroll as a degree-seeking student during the summer term. Refer to the Bright Futures Student Handbook, Chapter 2 for more information.

For those of you attending a postsecondary institution for the first time this summer or fall semester, your head must be filled with questions and thoughts about what to expect. College is an exciting place, but it can be complete chaos if you are not prepared. Don't worry, we have your back! Complete this checklist and get a jump start on the right path.

- Open a savings account and start saving.
- Research your college. Find out more about different activities and clubs they are known for and student organizations offered on campus.
- Register for classes. Between orientation or just an appointment with an advisor, make sure you register for classes by the deadline.
- Handle all financial aid matters before the start of your first class. It's easy to forget about or simply avoid, but this is one way that you can really get messed up.
- Go shopping! Get all of the things you'll need for your classes, your dorm room, or your new wardrobe. Look into your upcoming booklist and research affordable options.
- Research college majors. Whether you're pretty sure what your path is or you have no idea, do some research. Look up course list, graduation rate, job expectancy, income level, etc. Narrow it down to a few that interest you and be ready to talk to an advisor.
