How to Login and Use Schoology Parent Access

Schoology Parent Access allows parents to easily see Schoology information for all of their children in one place.

If you have previously signed up for Schoology Parent Access for your child, you do not need to do so again. If you have not created a Schoology Parent Access Account or need to add a child to your account, please follow these instructions. Please note: If you forget your Schoology Parent Access Account password, you will need to follow the instructions provided on the Schoology.com site to reset or retrieve your password. The St Johns County School District does not have access to parent account passwords.

You will need to find the Schoology Parent Access Code for your Child. This is located in HAC under “Registration” and then “Additional Information”

If you have never used Schoology Parent Access:

- 1) Go to www.schoology.com
- 2) Click on “Register”
- 3) Click on “Parent”
- 4) Type in the Schoology Parent Access Code from HAC
- 5) Click “Continue”
- 6) Type your information (not your child’s information) in the boxes.
- 7) Check the appropriate boxes at that bottom of your information
- 8) Click “Register”
- 9) You are now logged into Schoology Parent Access.

To see your child’s information, go to the right side of the screen and click on the down arrow near your name. Click on your child’s name. You will now be able to see all of the information in Schoology related to your child including updates, discussion posts, tests and quizzes, and calendar items.

If you have another child at a St Johns County School District school that is using Schoology, you can easily add them to your parent access account by following these steps. Click on the down arrow near your name on the right of the screen. Scroll down and click “add child.” Type in the access code for that child (provided to you by your child’s school). Click “Use Code.” You can now easily switch between your children’s Schoology accounts.

If you already have a Schoology Parent Access account (created for a child at another SJCSD school):

- 1) Go to www.schoology.com
- 2) Login with the information you used to create the account
- 3) Click on the down arrow near your name on the right side of the screen
- 4) Click on “add child”
- 5) Type in the Schoology Parent Access Code that can be found in HAC
- 6) Click “Use Code”
- 7) You can now easily switch between your children’s Schoology accounts by going to the drop down arrow and selecting the child’s account you wish to view.
